Sir,

I have the honour to state that a big jatra by name Eregalapalli jatra is annually held at Hanavadi in the Kolar Taluk, beginning from Chaitra Suddha Panchami and continuing for seven days. People gather there in large numbers coming from distant places and a large number of cattle are also brought there and sold. It is reported that great hardship is felt by the people and cattle assembled for want of water, added to which the place gets very insanitary.

To

To improve this it is suggested that a tax at the rate of 6 pies for every head of cattle that is brought to the Jatra may be levied, and the amount thus realized utilized for improving the Vahni that now exists. A portion of the collection may also be used for Speci-al Sanitary measures. The Subject was discussed before the Taluk Board, who resolved that as the cost of these arrangements, could not be met from the District Funds, Sanction of Government might be obtained for levying this tax. The matter has also been brought before the District Board in their meeting held on 11th May 1912. The Board have approved of levying the said tax and have resolved to obtain Sanction of Government for the same. An extract of their resolution is herewith

Submitted for their perusal.

I request the favour of your kindly moving Government to sanction the Levy of this Tax with effect from the next Jatra.

I have the honor to be

Sir,

Your most obedient Servant.
